GET TO KNOW ANDORRA FC

Gimnàstic Manresa, founded in 1966 in the province of Barcelona, has always stood out for being one of the best youth teams in Catalonia and having a long tradition in the development of young talent.

With the entry of the new ownership, headed by Gerard Piqué, the club has made a leap in quality in terms of infrastructure, resources and the implementation of a cutting-edge work methodology aimed at bringing young players to professional football with FC Andorra.

THE BEST YOUTH ACADEMY IN SPAIN

A LEGACY OF SUCCES

DEVELOPING FUTURE STARS

For over 50 years, Gimnàstic Manresa has been at the forefront of youth football development in Spain and beyond. The Academy's track record speaks for itself, having developed over 100 professional players in the last 15 years.

Some of the top talents produced by the academy include Pep Guardiola, Ilias Akhomach, Toni Fuidias, Marc Bernal and Raúl Moro.

This legacy of player development has earned Gimnàstic Manresa a reputation as one of the world's best academies for producing future football stars.

PROFESSIONALAZING TOP PLAYERS

Our order of priorities starts with the team and continues with the players. The most important thing is to provide the players with the necessary sports stimulus and optimize their performance.

Playing for the first team of FC Andorra or reaching professional football is our MISSION.

\$2,995

Payments will be divided into three installments:

1. First payment: due at the time of registration.
2. Second payment: due one month after the registration date.
3. Third payment: due two months after the registration date.

FAMILIES

Families are welcome to stay at any hotel of their choice in the city. Please note that we do not provide accommodation or transportation services for families.

Once players arrive at the airport, our staff takes full care of them throughout the entire week, ensuring their safety and supervision at all times. At the end of the program week, we will personally bring the players back to the airport for departure.

FAQS

1. What airport do players and families fly into?

All participants must arrive at Barcelona El Prat Airport (BCN).

Club staff will personally pick up players from the airport upon arrival.

2. Can players travel alone on the airplane?

Yes.

Players are allowed to travel alone as long as:

The family gives full permission, and

The family remains responsible for the player during their travel.

Once players arrive at Barcelona Airport, the official club staff takes over care and supervision.

3. Where do players stay?

Players stay in the official club residency, supervised 24/7 by the club staff from arrival until departure.

4. Do families stay in the same place as the players?

No.

Families must book their own hotels or accommodations.

The residency is only for players and staff.

5. Are families' accommodations or transportation included?

No.

Families are responsible for:

Their own accommodation

Their transportation around the city

Their transportation to visit training sessions

6. What transportation is included for players?

All transportation for players is included:

Airport pickup and drop-off

Travel to training

Travel to matches

Any scheduled program activities

Families' transportation is not included.

FAQS

7. How long is the program, and can players choose their weeks?

The program is for 1 week (July 12th to July 19th)

8. Is space limited?

Yes.

Registration is on a first-come, first-served basis, and spaces are strictly limited.

9. Do players get to keep their uniforms?

Yes.

Players receive official uniforms and are allowed to keep them after the tryout.

10. Are meals and laundry included for players?

Yes.

The residency includes:

Breakfast, lunch, and dinner

Laundry service

24/7 supervision

Shared double rooms (each player shares with another player)

FAQS

11. Are training sessions open to families?

Families may watch some training sessions if they wish. However, transportation for families is not included.

12. Who supervises the players during the tryout?

Players are supervised by the official club coaching staff and residency staff at all times.

13. What should players bring?

A suggested packing list includes:

Passport

Two pairs of boots

Shin guards

Running shoes

Toiletries

Personal items

Spending money (optional)

Any medications they require

14. How does the payment plan work?

Payments are divided into 3 automatic monthly payments:

First payment – made at registration

Second payment – automatically charged the same day the next month

Third payment – automatically charged the same day the following month

Once the first payment is completed, the next two payments are processed automatically.
